

## *Christmas greetings Robert*

*Margaret's gift to you this Christmas of the year 2001 is very special indeed.*

*We have some great trout fishing in Lochaber and Margaret has arranged for you to learn to cast a fly to catch a trout up here in the Highlands.*

*I look forward to you joining me in the spring for a two day excursion when you will learn the skills of casting a fly to catch a wee broon trout in our*

*secluded Highland lochs and streams, the habitat of the Golden Eagle, red deer, pine marten, otter, Atlantic Salmon and brown trout.*

*Introduction to fly fishing equipment, instruction, coaching, rod, reel and line, flies, permits, access and even Wellie boots are provided. You just need to be dressed for the weather of the day, and Fishing Scotland will provide the magic of the Highlands so you are hooked on the Highlands for life.*

*When you have selected suitable dates, or have any questions, just call 0 700 GOFISHING and we will make the arrangements to your convenience.*

*Have a wonderful Christmas,*
